In the Spirit of Service...

As Lions, we serve... to help others with Courage and Talent to Succeed.

We combine service, fun, fellowship and personal satisfaction in all we do!

On this our 30th Anniversary, we recognize those contributors and club members who worked diligently for the success of our club. In particular, we honor and pay tribute to PDG Noble Simpson, our founder, and first President and our only permanent Director. Further, we recognize all those individuals members (shown below) who have contributed as President of our Club; providing leadership and guidance, in the *spirit of service* to which we aspire.

Over the preceding Lions Years these Presidents, their Board of Directors and Club members have expended a staggering number of member hours devoted to all types of local activities and funded almost \$500,000 to our local community and another \$300,000 to various outside charitable needs. We honor all members past and present for their devotion to "We Serve" in order to help others.
